Annual Action Plan 2018-2019 Submissions

To: Presidents and Local Executives

From: Cindy Dubu , Vice President
Rob Gascho, Vice President

For Action

The OSSTF/FEESO Annual Action Plan is developed with the input of districts, bargaining units, committees, councils, sectors, provincial executive, staff and members at large on a wide range of issues. Each year the Vice Presidents review this input and package many of the suggestions into the Annual Action Plan. This year, as has sometimes been the case in past years, no pre-defined focus is being proposed for Annual Action Plan submissions. Any proposals that assist the Federation in enhancing its core strategies of protecting and engaging members, extending OSSTF influence, influencing decision makers, and shaping public opinion will be given consideration.

Districts, bargaining units, committees, councils, sectors, provincial executive, staff and members at large are invited to submit input for the Annual Action Plan that will assist the Federation in developing an action plan. It is time to begin the process and your cooperation is appreciated.

Please complete the attached form outlining:

1. the action or program suggestion
2. an outline of the rationale for the proposal
3. estimated budget

The Vice Presidents will collect the input and develop the Annual Action Plan. The Annual Action Plan, once approved by the Provincial Executive, will be presented as a draft document at the January meeting of Provincial Council. The final document will be presented and recommended by the Provincial Executive for approval at AMPA in March 2018.

Please complete the attached form and return either by fax [416-751-8876] or by email to Wendy Ozyer [wendy.ozyer@osstf.ca] by November 24, 2017.
