

Dear Members,

As frontline educational workers we are concerned that the Premier is going to make deep cuts to publicly funded education in your community at a time when students need MORE supports.

Cuts to education mean:

- loss of jobs
- potential for more disruptive, aggressive behaviour in schools
- greater workload
- undue personal stress and pressures

We are calling upon you to help us tell Doug Ford to **STOP** cutting public education at all levels, from kindergarten to post-secondary education, by participating in the **February 7th Rally – No Cuts to Education**. OSSTF/FEESO understands that participation in rallies can be *uncomfortable*, but the time has come for your voice to be heard. **In solidarity we are the only ones who can preserve our jobs.**

Please, contact **Ivy Woods** at the email address below to include your name to the applicable rally.
