

2016 Student Achievement Award Winners Announced

To: Presidents and All Members
From: Paul Elliott, President

For Information

The 2016 Student Achievement Awards received an extensive variety of creative submissions from across the province. Last year's Recognition and Promotion Subcommittee of CPAC chose the theme Laugh Out Loud and it certainly captured the imaginations of students.

After receiving district-winning entries in December, submissions went through rigorous Regional and Provincial judging. The Regional and Provincial winners can be found below.

Please celebrate these achievements within your district and continue to promote this important awards program.
